

QUILTING FUN TEACHERS:

Charlotte Angotti

Let Me Surprise You!

"Let Me Surprise You" is the most popular class Charlotte offers. It fills quickly and is a SURPRISE in more ways than one. In this mystery-style class, no one gets any hints, yet those who attend often want to take another. All kits are the same, but if you want to be creative, you can use the kit as a foundation for your own ideas. And if you want to make it just as offered...that is great, too.

The kits are all laser cut and ready to sew! Perfect for a cruise. We are going to sew, eat, sew some more and laugh all the way around the islands. Join Charlotte for a fun-filled time! **Kit cost: \$125**

Mattie Rhoades

Aloha Island

The appliqué palms, trunks, waves, hammocks, and surfboard featured in this class all have great curves, but with NO CURVED PIECING! Quiltsmart's easy appliqué method using printed inter-facing taught by founder Mattie Rhoades makes this adorable quilt quick and easy. You will love this class and learn how to do this curved shape as well as others, like the Double Wedding Ring. You will be able to translate these methods into many of your other sewing projects. Great results! Great fun! Great Class! **Kit cost: \$40**

Veronica Cox

Laura Heine's Collage Seahorse

Join Veronica Cox of *Bear Thread Designs* for her class, "Laura Heine's Collage Seahorse." Participants will enjoy a journey in fusible using the Appliqué Pressing Sheet and Lite Steam-A-Seam II. The seahorse begins to unfold with the help of a hot iron and scissors. It's no riddle that you will leave this class with a smile.

All fabric will be provided for appliqué as well as pattern, fusible web, an appliqué pressing sheet, and scissors. You go home with not only a seahorse but a special size appliqué sheet and teflon scissors. Note: This is a 3-day come and go class. **Kit cost: \$95**

Charlotte Angotti

While shopping with her mother in 1977, Charlotte wandered into a quilt shop and everything changed from there. Educated in fine arts, speech and drama, she brings a variety of talents to the class and in a most humorous way.

She has been teaching quilt-making since 1978, and her first quilt was sold right after making it. She has sold many since. In 1981 Charlotte opened a quilt shop, Quilt Works, in Virginia Beach, VA which she later sold in 1999.

She has been teaching nationally/internationally since 1991 and now lives in the Lafayette, LA area.

It has been said many times, if you hear laughter coming from a room, there is a good chance Charlotte is in there. She is known for her humor, her way with color and fabric, her pre-cut kits, and now a new book, *Surprise Yourself!* She believes her hobby is quilting and her job is teaching others to enjoy it as much as she does.

Mattie Rhoades

With the feeling that quilting should be fun, plus out-of-the-box thinking and a desire for a creative challenge, Mattie started Quiltsmart in 1994 based on using printed fusible interfacing to make quilting easy with no curved or inset piecing!

Between being a mom of 3 great young adults and a grandma, and running the business, she also loves traveling. She has taught the Quiltsmart methods in Australia, Germany, the Netherlands, Mexico, Spain, and around the United States. She also enjoys inline skating, quilting, sewing, paddle-boarding, kayaking, playing scrabble, 4-day work weeks, and anything chocolate.

Mattie teaches quilting seminars, classes, and retreats and enjoys delivering the message that quilting is fun and relaxing - especially with modern methods!

Veronica Cox

Veronica, owner of *Bear Thread Designs, Inc.*, has traveled extensively, teaching the art of fusible appliqué using The Appliqué Pressing Sheet. In 1990 she was introduced to quilting by her mother-in-law and since then, she has taught many classes and workshops.

Bear Thread Designs, Inc. is the manufacturer of The Appliqué Pressing Sheet™, Grip-n-Press™, Grip-n-Grip, The Angelina Sheet, Stick-n-Press, and Sew Clean. The products were first featured in *Miniature Quilts Magazine* and since then seen in *Sewing-Quilting-Embroidery Professional*, *Round Bobbin Newsletter*, *Fons & Porter's Love of Quilting* and *Quiltmaker*.

She has appeared on *America Quilts Creatively* as well as being featured on QNN. The Appliqué Pressing Sheet has been featured on many HGTV programs and has been used and endorsed by many quilting personalities such as Sue Hausmann of *America Sews* and *America Quilts Creatively*, Debbie Mumm of *Mumm's the Word*, McKenna Ryan of *Pine Needle Designs*, and Linda Simmons of *Sulky*.
