

Sham Cutting Diagrams -

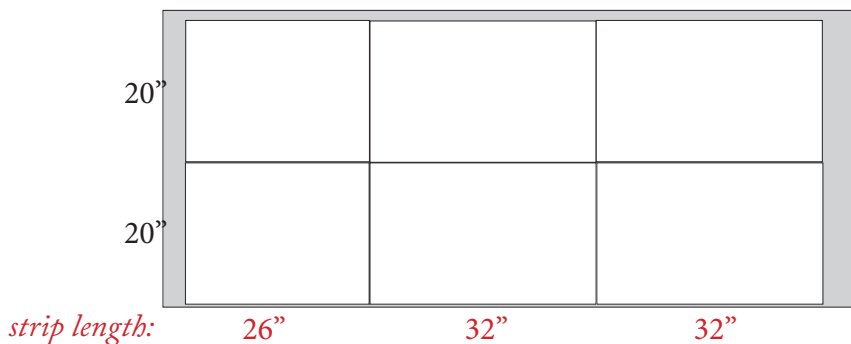

Based on standard size pillow sham 20" x 26". The finished sham is approximately 19" x 25" with a 6" envelope overlap on the backside. Half inch seam allowances are included - this is so the pillow will stuff nicely into the sham.

Note: Gray represents 42" unfolded fabric. You can start by cutting into strips (strip length in red) with the fabric folded, then open the fabric to cut the remaining pieces.

1 Sham - 1³/₄ yards

2 Shams - 2³/₄ yards
